PROPOSAL

Abstract (max 300 words)

Lay Abstract (max 250 words)

How does this project relate to scleroderma/systemic sclerosis? (max 250 words)

OUTLINE OF RESEARCH

Maximum 6 pages

Hypothesis	How is this new knowledge & why is it important?
Objectives	
Methods	How will knowledge translation occur (and to whom)?
Expected Results	
Limitations & Strengths of Approach	
Feasibility	

Supporting documents: Any letters of collaboration, papers submitted by authors related to this project that are not published

Not counted in page limit: References, Figures

BUDGET

Please provide a copy of the proposed budget for the research project.

The Scleroderma Society of Ontario will fund up to \$50,000.00 per project/year over the max terms of 3 years. Year 2 and 3 money will not be distributed until an annual report is submitted and approved. 10% of the total of all years until FINAL support is submitted.

SUBMISSIONS

No overhead will be paid unless a letter from an institution says it is mandatory (letter can be provided after grant is successful). The investigator will not be paid for their time.

All presentations and publications must mention the funding from SSO.

GRANT DEADLINE: NOVEMBER 15, 2023

SUBMIT TO: JOHN@SCLERODERMA.CA
